Visual Storytelling

Collage Techniques

Typography & Layout

Selected Projects

This My Jam!

Created a handmade mixed media collage inspired by music culture, album artwork, and personal expression. Focused on layered composition, visual rhythm, and energetic storytelling through collected imagery and textures.

Do I Watch Cartoons?

Designed a large-scale mixed media collage exploring nostalgia, animation culture, and entertainment media influences. Used dense layering and overlapping cartoon imagery to create movement, visual energy, and expressive storytelling.

Another Round Doc

Created a traditional illustration inspired by vintage cartoon aesthetics and classic Bugs Bunny-style animation. Focused on expressive character design, humor, colored pencil rendering, and nostalgic visual atmosphere.

Education

American River College

Associate Degree in Art/New Media

Expected Graduation: 2026
